MOVEMAKERS STEP Hurdle is an innovative combination between hurdles and agility ladder. The product is perfect for stepping and jumping drills. The product can be easily configured to form different alternatives of training equipment according to training needs.

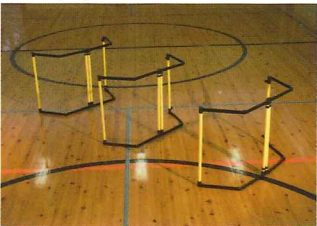

The MOVEMAKERS STEP Hurdle can be used as:

1. Agility ladder (as fixed ladder: 7 steps and as separate squares: 12 steps)

2. Jumping drill track

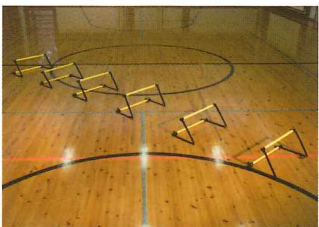

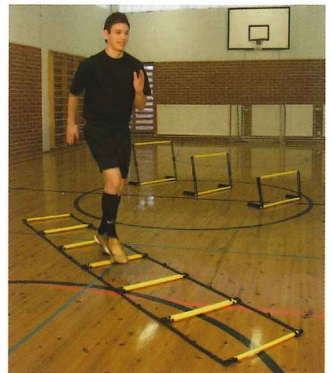

3. Separate hurdle

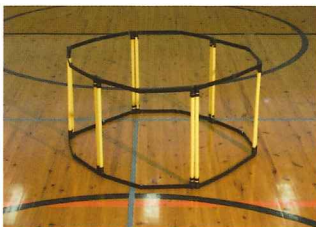

4. Circle drill track

STEP Hurdles sales package includes 6 real Movemakers hurdles. The product is designed and tested to resist tough training conditions. The height and shape can be easily adjusted using the articulation. The hurdles can be attached together to form agility ladders as shown below.

5. Agility hurdle

6. Jumping drill ring
